

# COMMERCIAL PETROLEUM ACCOUNT APPLICATION

From transportation to manufacturing and everything in between, businesses that rely on bulk fuel know that it does more than just power equipment: it contributes to the bottom line. At Co-op, we offer a full range of fuel, lubricant and propane products and services to commercial businesses at competitive prices, across Western Canada, including 24/7 access at over 380 CO-OP® Cardlock locations.

Each Co-op Cardlock location carries a diverse range of products and services. CO-OP® Premium Diesel is available at over 250 locations and TOP TIER™ Gasoline is available at every single cardlock location. Diesel exhaust fluid is also now available at over 50 locations, saving you time at the pumps when your exhaust fluid tank is running low. Cardlock cards can be ordered to access all sites (national) or may be restricted to one province (provincial).

In addition to our Co-op Cardlock network, our commercial Fleet Card Program can provide fuelling access at over 500 Co-op Gas Bar and TEMPO® locations. Simplify your accounting system, taxes and budget planning by charging all your driving

expenses to one convenient card. You'll receive the option of a detailed weekly, bi-weekly or monthly invoice based on your team's requirements.

Co-op is a proud manufacturer of home-grown fuel solutions. Since 1935, the Co-op Refinery Complex (CRC) in Regina, Saskatchewan, has fuelled Western Canada with high-quality Co-op products, including gasoline, diesel, propane and lubricants.

From eight enterprising farmers who believed they could produce and distribute their own gasoline, the CRC has grown into one of Canada's largest integrated refining and upgrading complexes with the capacity to process over 130,000 barrels of crude oil per day. By sourcing crude oil, as well as wheat and corn-based ethanol, from Western Canadian suppliers, Co-op produces important products that support countless local businesses and communities.

Whatever your needs, Co-op can help. A friendly sales representative will set up an account that is right for you and arrange card and invoicing requirements.

# PRODUCTS & SERVICES

## CO-OP GAS BAR AND TEMPO NETWORK

Co-op gas bars, as well as TEMPO service stations, are part of a fuel supply system that can meet your "on the road" needs throughout Western Canada. Product, price, service, satisfaction... Co-op and TEMPO put them all together to serve you better.

## CO-OP CARDLOCK NETWORK

Get the ultimate in convenience, safety and control while you are on the road. Co-op Cardlocks give you access to 24/7 fuelling at your fingertips. There's no need to carry large amounts of cash or be concerned about gas bar hours or unauthorized non-fuel purchases.

## FLEET CARD PROGRAM

With access to more than 500 Co-op gas bar and TEMPO locations, members of the commercial Fleet Card Program will experience secure, customized, and streamlined fuelling and automotive services.

## CO-OP® DELIVERS

Commercial account holders can be sure to have fuel when it's needed. Co-op has bulk fuel locations across Western Canada to serve you better and keep your storage tanks filled all year round. You'll appreciate our competitive prices and reliable delivery service.

## LUBRICANTS

Featuring a mixture of carefully selected base oils and rigorously tested performance additives, Co-op Premium Lubricants meet or exceed industry specifications and provide complete protection in a variety of operating conditions. Today, Co-op offers a full range of packaged and bulk lubricant products for legacy and modern equipment, meeting industry leading original equipment manufacturers' (OEM) standards.

## CO-OP® PROPANE

Since 1967, Co-op has been offering a comprehensive suite of propane products and services. With a complement of trained professionals and support staff on hand, Co-op ensures that proper installations are carried out by its own experienced and licensed gas fitters. Today, Co-op supplies and serves members and businesses with all their bulk propane requirements.

# COMMERCIAL PETROLEUM ACCOUNT

## OPEN A FUEL ACCOUNT TODAY AND ACCESS WESTERN CANADA'S LARGEST CARDLOCK NETWORK

It's so easy. Fill out a Commercial Application form, available as an online version or as a printable version (see the link to our website below), and send us a copy of the form. When filling out a form, consider the following directions:

- Use the Commercial Petroleum Application form to tell us who you are. Are you a registered company, a partnership or a proprietor? Do you have any association with another FCL commercial petroleum account? Fill out the information completely, legibly and accurately.
- Tell us what you do. Commercial petroleum accounts can be tailored to fit the needs of your business. Please note only businesses are eligible for a Federated Co-operatives Limited Commercial Petroleum account. For personal/consumer accounts, contact your local Co-op (<https://www.fcl.crs/contact-us/location/>) for further options.
- Provide bank and trade references. These references are essential for us to process your application. Trade suppliers are businesses with which you have already established credit. (Please note that fax numbers are required.)
- Please sign, date and identify yourself clearly in order to make it easy for us to start the account application process.

We're excited to welcome you to our network. Please note, only complete applications will be processed. If you wish to include any additional information, please attach the proper documentation to your application.

If you have any questions, we're just an email or phone call away. Thank you for choosing Co-op! You can view the online and print versions of the form, as well as the online guide, by visiting [www.fuel.crs/more/petroleum](http://www.fuel.crs/more/petroleum).
