

FREQUENTLY ASKED QUESTIONS

How will I be impacted by this change?

We don't expect customers to be immediately impacted by this change, and Husky fuel sites will continue to operate in the same manner in the short term. You will still be able to access fuel and most products and services that have been available.

Over time, these sites will be converting to Co-ops or one of the Co-op's independent brands.

Can I still collect and redeem myHusky Rewards?

Yes, myHusky Rewards will still be available to be collected and redeemed as long as the site is operating as a Husky. After the site transitions to a Co-op or Tempo, myHusky Rewards will no longer be able to be redeemed. We will provide as much notice as possible to myHusky Rewards members prior to that change taking place.

We encourage myHusky Rewards customers to use their points prior to their site converting to a Co-op or Co-op independent brand.

I have a Husky gift card; can I still use it?

Yes, Husky gift cards can be used as a form of payment as long as the site is operating as a Husky. However, Husky gift cards will no longer be available for purchase at this site.

When will my local store change brands?

Sites will transition to Co-op or one of Co-op's independent brands over the next 18 months. If you are a myHusky Rewards member, you will receive an email communication prior to the transition.

If you are not a member, be sure to check out the fuel.crs website, your local Co-op's social media channels and your local Co-op's website.
