

SONIC® PIG OIL

ISO 28

PRODUCT DESCRIPTION

SONIC® PIG OIL is a carefully selected cut of virgin paraffinic base oil free of any additives or heavy metals. It has uses in select agricultural segments as livestock oil. Note this is a refined paraffinic base oil and is intended for external use only; it should also be used sparingly on livestock.

PERFORMANCE FEATURES

- Light colored virgin paraffinic base oils
- Free of additives and heavy metals
- Good cold weather flowability
- Low odor formula

APPLICATIONS

SONIC® PIG OIL is formulated to be used in agricultural applications such as oilers for cattle, horses and other livestock. When used as a flushing fluid, SONIC® PIG OIL will not remove baked-on carbon deposits; nor will it remove heavy sludge. It is intended as a generic contaminant flush fluid that itself will have to be drained prior to system refill.
